TABLE OF ALLOWANCES.....

1. GENERAL

This regulation prescribes Agency policy regarding the issue of executive furnishings and provides a table of maximum allowances and requisitioning procedures therefor.

2. DEFINITION

Executive furnishings are special types of office equipment which are higher in quality than normal issue and which are especially authorized for use by designated employees of the Agency.

3. POLICY

The issue of executive furnishings shall be in accordance with the Table of Allowances, Attachment 1, and shall be limited to personnel in the following categories:

- a. Personnel occupying Table of Organization positions in grades GS-16 and above, and their immediate staffs.
- b. Personnel occupying Table of Organization positions in grade GS-15.

4. REQUISITIONING

a. Executive furnishings are regulated items controlled by the Chief of Logistics and subject to the requisitioning procedures set forth in Agency Regulation [redacted] Supply, Requisitioning.

- b. All headquarters requests for executive furnishings will be submitted to the Building Supply Officer having support responsibility for the office concerned, and, if security permits, will cite the name of the employee for whom the executive furnishings are required, his room number and building, office, and division.

- c. Requisitions for executive furnishings will contain the following certification, signed by an authorized representative of the requesting office:

"The above items of executive furnishings are required for personnel as authorized in Regulation [REDACTED] Supply, Executive Furnishings. I certify that executive furnishings of the type requested are not now being utilized by individuals in this office not authorized to do so by Regulation [REDACTED]"

- d. Requests for exceptions to the Table of Allowances or requests for executive furnishings to meet special requirements not provided for herein, must be fully justified on the requisition or in an attached memorandum.

5. RESPONSIBILITY AND AUTHORITY

It will be the responsibility of Operating Officials and chiefs of domestic field installations, or their designees, to ensure that prudent and authorized use of executive furnishings is made in offices, divisions, and installations under their jurisdictions. The Chief of Logistics is authorized to review the utilization of executive furnishings in order to ensure compliance with policy prescribed in this regulation.

6. TABLE OF ALLOWANCES

The Table of Allowances for executive furnishings stipulates the maximum allowance authorized. The fact that items appear on the Table of Allowances does not imply that authorized personnel must be equipped with each of the items (see Attachment 1). Only those items actually required should be requisitioned.

TABLE OF ALLOWANCES

EXECUTIVE FURNISHINGS

This Table of Allowances prescribes the maximum allowances of executive furnishings for the categories of personnel listed below. The allowances set forth herein will not be regarded as a basis for the automatic requisitioning of all items listed. The categories appearing in the "Basis of Issue" column have the following meaning:

Category(1)- Personnel occupying Table of Organization positions in grades GS-16 and above, and their immediate staffs.

Category(2)- Personnel occupying Table of Organization positions in grade GS-15.

Consistent with the Agency Supply Economy Program, less expensive items will be requisitioned whenever possible, e.g., tables instead of desks.
